ACSTO

Arizona Christian School Tuition Organization

We believe that every student should have the chance to attend a Christian School.

Looking to make a charitable gift? You can provide scholarships for students at Christian Schools!

Since 1998, over **108,000 donors** have made Christian Education affordable for more than **50,500 Arizona students**. We're thankful that God has allowed us to help so many families, but you can make the difference for one more!

When you make a donation to ACSTO, we use those funds to award scholarships to students at a Christian School of your choice.

Know a particular student who could use tuition assistance?

You may recommend an eligible student (who is not your own child or dependent) when you make your donation! Recommendations made by donors are considered by our Selection Committees and help in the award decision process, but they are not the only factor. The committees also consider the financial circumstances of the student's family (as required by state law) and the narrative about the student provided in the student's Scholarship Application.

ACSTO is a charitable 501(c)(3), non-profit organization. Please consult your tax advisor regarding federal deductibility of your donation for your unique tax situation.

Thank you for helping us make Christian Education affordable for thousands of Arizona students—**we couldn't do it without you!**
